New connections. *A first swing.*

TWO HOURS

Meet colleagues from other offices, try something new and spend time together. No previous golf experience is needed.

Venue options + Club 15 planning and delivery / Investment on page 5

01 / THE PURPOSE

An evening built *around your people.*

A shared activity gives colleagues a reason to start a conversation. The evening is designed to help women meet beyond their immediate teams and offices.

01 Meet beyond your team

We organise groups to encourage introductions across Softcat, with time to talk between turns.

02 Take part at your own pace

Simple simulator challenges give first-time players and regular golfers ways to join in. Coaching can be added.

03 Keep conversation at the centre

Food, drinks and the social space are part of the format. Guests can move between play and conversation.

02 / THE SETTING & THE EVENING

Room to play. *Time to talk.*

We recommend the private Back Nine area for the flexibility to shape golf and hospitality around Softcat's budget and guests.

THE BACK NINE / FIVE IRON GOLF

Indicative flow. Final group size, capacity and running order to be agreed.

03 / CLUB 15'S ROLE
